

## MASSAGES

### THERAPEUTIC MASSAGE

The combination of different pressures and techniques used during this full body massage is customized to the individual's needs to help alleviate tension and stress.

50 minutes 80 minutes

### DEEP TISSUE MASSAGE

Your therapist will select an aromatic oil according to your concerns, be they muscle pain, stress relief, relaxation or balance. The flowing massage works deeper into the tension, encouraging optimum circulation.

50 minutes 80 minutes

### SWEDISH MASSAGE

A relaxing experience with long comforting effleurage strokes of light pressure. This full body massage improves circulation and eases muscle tension for ultra relaxation.

50 minutes 80 minutes

### EXFOLIATION MASSAGE

Bask in the therapeutic relaxation with the best of both worlds. After muscle relaxing self-heating mud packs are applied to the spine and feet, a massage is performed using a creamy exfoliant infused with an endorphin releasing aromatherapy serum, which has similar mood enhancing actions to those of the sun. Enjoy the revitalization of the skin and senses.

50 minutes 80 minutes

### HOT STONE MASSAGE

Balinese stones bathed in Frangipani :Monoï Body Oil are worked deep into the muscles, getting into areas of tension. The result is sparkling vitality with the added bonus of intensely hydrated skin

50 minutes 80 minutes

### PREGNANCY MASSAGE

A relaxing massage for the mommy to be, it's your time to zen. Therapeutic techniques are used to relieve lower and mid-lower back tension as well as shoulder strain.

50 minute

### SLIMMING PS MASSAGE & WRAP WITH ALGAE JAM

LOTION PS combines the benefits of OLIGOMER, an exclusive seawater concentrate, with the slimming power of 4 types of exceptional algae.

60 minutes

## FACIALS

### BDR

Leading non-invasive facial system from Germany, BDR is much more than a device or a skincare range. It's a skin treatment philosophy that employs technologies adapted from aesthetic dermatology to rejuvenate the skin on multiple levels. All concerns, from wrinkles to acne, loss of volume, to hyper pigmentation are caused by an imbalance in skin function. One comprehensive 360 degree approach restores equilibrium so you skin looks and feels its best.

### CITY LIFE ANTI-POLLUTION FRESHNESS FACIAL

Designed to counteract the destructive effects of pollution and an urban life-style, this facial detoxifies and oxygenates the skin with Pure Pore Heating Mask. This self-heating mask gently absorbs into the skin's surface luring a tranquilizing double brush massage, prior to pore extraction. A customized complexion enhancing serum is applied to eliminate dull tones & fatigue to restore radiance and brightness, neutralizing damage while plumping skin with moisture. The final moisturizing sorbet infuses the skin with algae-based pollution shields to revitalize and protect the complexion's fresh, clear glow.

50 minutes

### HYDRABLUÉ PLUMPING MOISTURIZING FACIAL

Detoxify & plump skin with moisture. After a thorough cleansing & exfoliation process smooths the skin to renewal, a self-heating pure pore mask is massaged over the skin to absorb pollutants and sebum-based impurities. Skin is perfectly prepared for a deep extraction. Serums and a final creamy mask re-plump the skin with hydration for a bright, energized complexion.

50 minutes

### HIGH PERFORMANCE SKIN ENERGIZER- Great for Men!

This is a hard working facial for aging, dehydrated skin and tired eyes. It increases cell regeneration, as steam and extraction decongest. Multi-dynamic facial massage sequences boost circulation, while scalp & foot massages deeply relax.

50 minutes

### EXTENDED YOUTH FACIAL Anti-aging, anti-wrinkle and firming.

From the depths of the ocean and coastlines of France, natural solutions are found to restore a youthful texture and radiance to the skin. A marine AHA scrub is used to polish the complexion to smoothness. After, Sea Retinol is used to boost cellular turnover for skin regeneration. Finally, a specially formulated rubberizing mask reduces the depth of wrinkles and resuscitates skin's natural firmness, while free radicals (the primary cause of pre-mature damage) are outsmarted to curb premature aging.

Facial Peels

## FACIALS CONTINUED

### MICRODERMABRASION

This non-invasive treatment uses a diamond tip to gently exfoliate your skin. After a series of treatments, your complexion appears smoother, brighter and more even in color.

### DERMAPLANING

Dermaplaning is a physical exfoliation process that gently shaves the top dead layer of skin and vellus hair (aka peach fuzz). The results are ultra-smooth, fresh and brighter skin. It also increases cell metabolism helping new, stronger skin come to the surface. Products have better absorption and makeup goes on smoother.

### SILKY MULTI-EXFOLIATION

30 minute Showerless Scrub

Perfectly silky skin is created with a combination of black sand, pumice stone, digestive papaya enzymes and glycolic acid. Once the body is massaged with this complexion enhancing blend, a final ecreme body milk is applied to the entire body for quenched, smooth skin.
